Hoskins Is Elected Sheriff on Tuesday

Snell Is Victor In Judge Race At County Polls

Truckee Majority Bucks Statewide Trend To Republicans

Richard W. (Dick) Hoskins of Grass Valley was elected sheriff of Nevada County at Tuesday's balloting by defeating the incumbent, Carl J. Tobiassen by a total vote of 3866 to 3014.

The same voters elected James Snell, Grass Valley attorney, to the superior judgeship of the county. The unofficial count gave Snell 3641 votes to his opponent, Vernon Stoll's, 3125.

Meadow Lake Township divided its vote fairly evenly between the candidates, but gave Hoskins 181 votes and Tobiassen 173 for a small majority, most of which came from Soda Springs which gave the incumbent a 26 vote majority to offset Truckee's 31 majority for Hoskins.

The Score

The local score stood as follows:

Truckee No. 1: Hoskins, 77; Tobiassen, 72. Snell, 66; Stoll, 79.

Truckee No. 2: Hoskins, 89; Tobiassen, 65. Snell, 79; Stoll, 72.

Soda Springs: Hoskins, 18; Tobiassen, 36. Snell, 18; Stoll, 32.

Truckee failed to follow the example of the majority of the voters of the state in state officers although it gave Governor Warren 271 votes to Schmidt's 22.

For lieutenant governor, Truckee went for Shelly by a vote of 158 to 130 for Judge Knight, the latter carrying the state. Local voters also favored Brown for attorney general by a 160 to 112 margin over Howser, the state winner. For U. S. Senator, Truckee voted 153 to 132 in favor of the loser, Rogers, over Knowland.

There were a total of 369 votes cast in the township, 316 in the two Truckee precincts and 53 at Soda Springs.

Vernon Named To Justice Post In Tahoe Vote

Tahoe City Man Gets 192 Votes to 143 For Doherty

TAHOE CITY— Clarence W. Vernon is the newly elected justice of the peace for Township 11 at Lake Tahoe to replace Mrs. Evelyn Bliss, who declined to be a candidate.

The Tahoe City man won over Tom Doherty of Kings Beach by a total of 192 to 143 votes. The latter did not campaign as he has been ill in a Reno hospital for several weeks.

At Tahoe City the score was Vernon, 166; Doherty, 26. At Kings Beach it was Vernon, 54; Doherty, 89.

There was no other contest at the lake, Constable Harry Johanson having been elected at the primary in June.

LOEHR IS NAMED OIL DISTRIBUTOR FOR THIS REGION

Standard Oil Company of California announces the appointment of H. G. Loehr as wholesale distributor for its products in Truckee and vicinity As distributor, Loehr becomes an independent businessman in this locality.

A native of San Francisco, Loehr graduated from high school and studied for a year at University of Nevada. He served as a private in the Marine Corps in World War I.

Loehr was employed by Standard for several years at Reno, Fernley Tahoe City and Loyalton, and for seven years was connected with the City Transfer at Truckee. He returned to service with Standard in October, 1943.

He is a member of Truckee Lodge F. and A. M., Scottish Rite and Shrine in Reno, Fraternal Order of Eagles, Lions Club, American Legion and Outdoor Sportsmen in Truckee and is a director of the local chamber of commerce. He is serving as a member of the Nevada County board of supervisors for the fifth district.

Loehr's family consists of his wife Lyla, and one daughter, Mrs. Edward Frates.

"I am particularly proud of the fact that Standard of California ha recognized my ability to serve this community," Loehr said this week "This is going to be a local firm and I intend to give this region the sort of service that will match the quality of the Standard products I handle."

Extensive Improvements At Local Skiing Resort

Extensive improvements are being made at Hilltop Lodge by the energetic owners, Ed Crandall and Emery Carter, who are erecting a supplementary rope tow for skiers which will operate from the pavilion to the foot of the present tow. The new tow will provide an up-ski for amateurs as well as making it handy for experienced skiers to reach the present tow.

The Lodge owners also report the installation of a complete ski shop in connection with the lodge which will provide skis, snow shoes and all necessary equipment for rent or sale. An expert will be in charge to make ski repair, refinishing, waxing and any other detail wanted.

$596,498 Bill Due In County For '47 Taxes

Tax Collector Points Out Rules of Procedure for Payment of Taxes

Miss Elma Hecker, county tax collector, reports that the Nevada County tax bills for the fiscal year July 1, 1946, to June 30, 1947, were placed in the mail in the past week to all known taxpayers with addresses on the statements.

The regular county bills are 6,538 and the amount of money in the charge to be collected is $345,810.62. The public utility bills assessed by the state board of equalization number 80 and the amount paid of this charge being $250,687.45. The total charge made by the county auditor for the county tax collector to collect or show on the delinquent roll the end of April, 1947, will be $596,498.07

The first installment became due November 1 and will be delinquent on December 5. The second installment is due January 20, 1947, and delinquent April 20. Owing to the fact that April 20, 1947, falls on Sunday taxpayers will have until the next day to make the payment of the second installment.

Miss Hecker further states that all property is assessed to the recorded owner as of the first Monday of March in each year. Subsequent changes in ownership, while becoming of record, are not changed by the county assessor on the assessment rolls until the new assessment roll is made, there being only one assessment made each year. Therefore, if the property owner has sold property or a new owner acquired property, it is to the advantage of both parties that the tax collector be notified so that the tax bill may be mailed to the proper taxpayer. This can be done if only one piece of property with the one valuation has been sold. In some instances there may be two houses or several lots in the one valuation and only one sold by the owner. In this case a separate tax bill cannot be issued by the tax office but an agreement must be made between the former owner and the new one for equalizing the taxes due.

In each tax bill the taxpayer will receive a copy of the tax rates listing all school districts showing the tax rate in each for each taxing agency, compiled by the tax collector and R. N. McCormack, the county auditor.

If you have not received your tax bill it could be due to a lack of proper address and a call at the tax collector's office in the court house at Nevada City will clear this situation.

4.5 Per Cent Increase Is Found in Assessed Value

Assessed valuation of taxable property in Nevada county for 1946-47 is $19,824,750, up 4.5 per cent over the 1945-46 valuation of $18,968,990, California Taxpayers' Association states, making public its study of valuation changes in California counties.

Assessed value of land in the county this year is $4,621,260, up 8.1 per cent over the $4,275,845 valuation for 1945-46. Improvements are assessed at $11,850,990, up 2.7 per cent over the $11,536,145 value for last year. Personal property and money in the county this year is assessed at $3,908,620, up 9.5 per cent over the $3,568,230 valuation for 1945-46.

Assessed valuation of property exempt from local taxation for 1946-47 reached $556,120, up 35.2 per cent over the $411,230 of exemptions for last year.

Truckee exemplified its desire to continue its march of progress by its almost unanimous approval of the establishment of a cemetery district There could be little question of the need, but it has been an almost undisputed fact in every community that where a proposition even looks like a tax increase, there has been an almost equal division of yes and no votes. Not so with the cemetery district. The total vote of 319 to 34 indicates conclusively that the voters of Truckee are ready and anxious for community improvement. We congratulate the voters upon their decision

The attendance at the meeting of the Truckee Outdoor Sportsmen on Sunday was discouraging. Far too few attended this important meeting which may well determine the future of fishing and hunting in the region Those few in attendance, however, were sincere and weighed carefully the wishes of the majority as they knew it and passed recommendations which they felt sure would meet with approval of that majority.

The election is over. There are many disappointed but naturally far more pleased with the outcome. Regardless of whether you were on the winning or losing team, bear in mind that we in America live under a government by and for the people and that we are most fortunate in being able to choose our representatives. Incidentally, we can't help thinking that the old "do-do bird" as the GOP was so often called in the past 14 years, made a whale of a comeback for a "dead pigeon."

Langille Suffers Injury to Eye While Hunting

H. T. Langille, manager of the Rotary Oil and Burner Company, is recovering from a freak hunting accident which occurred near Fallon, Nevada, last week. Langille and companions were hunting when a shot ricochetted off a decoy and entered the left eye ball. Taken to Reno, the shot was extracted and the sight apparently is not impaired

Mrs. Polyanich Flies East For Visit With Bartons

Mrs. A. B. Polyanich left Reno by United Airlines yesterday morning for Chicago where she will meet her son, Eugene Bartor., pilot captain for Chicago and Southern Airline. She will fly with him to Memphis to spend about three weeks with his family in the Tennessee city.

During the absence of Mrs. Polyanich, Mrs. Robert Carruthers will manage the dining room at the New California Cafe. Carruthers was recently engaged there as a chef.

Steak Dinner Expensive For Non-Paying Diners

Four young men, ranging in age from 17 to 20, were arrested near here Monday night by Constable N F. Dolley and State Patrolman William Gautsche and charged with defrauding the Goodfellows Cafe. They were fined $75 by Justice of the Peace R. N. Little and, being unable to pay the fine, are reposing in the local jail.

The four, Charles Stattum, 18, Roy Culver, 18, Martin McIntosh, 17 and J. E. Staton, 20, all of Santa Paula, ordered a steak dinner each and as soon as they had eaten, hurried from the restaurant and sped from town in their car. The officers set out in pursuit and soon had the boys back.

Program Is Planned At High School Friday

The students of the Meadow Lake Union High School will present a program in the school building tomorrow evening at eight for members and friends of the Parents and Teachers Association. Mrs. John Rablin, vice president, announced that an important business meeting will also be held.

Refreshments will be served during the social hour

In Several States—

Mr. and Mrs. W. C. Gage returned on Thursday following an extensive trip through Wyoming, Oregon, Idaho, Washington and Montana. In the latter state, the couple visited with relatives.

Cemetery District Favored Heavily At Special Voting

With a landslide vote for the establishment of a Truckee Cemetery District, residents here and at Soda Springs Tuesday voiced their wholehearted approval for a really valuable and necessary advancement.

The total vote for the township was 319 for the district and 34 against.

The vote by precincts was:

Soda Springs: For, 36; Against, 13. Truckee No. 1: For, 147; against, 7. Truckee No. 2: For, 136; against, 14.

JEAN JOHNSON TO WED SACRAMENTO MAN ON FEB. 15TH

The betrothal of Miss Jean Johnson of Kingvale Park, Soda Springs, to Herbert Coleman of Sacramento was revealed this week. The bride to be is the daughter of Mr. and Mrs. Martin Johnson of Soda Springs.

The date of the wedding is planned for February 15 at Sacramento, although the details will be announced at a later date.

Miss Johnson is well known in this district, having attended schools in Truckee and Auburn. For several years she has been recognized as an accomplished skier. For the past year she has been employed by the Southern Pacific as a photographer.

Coleman is employed in Sacramento where he attended school prior to his enlistment in the armed service during the recent war. He has a number of friends here, having visited at the A. G. Bradshaw home a number of times.

Local Liquor License Is Transferred to Summit

Notice was given this week by Nace Firpo that he is transferring his on-sale liquor license, currently held by the Tourist Cafe in Truckee, to the Donner Summit Company which operates Donner Summit Lodge near Soda Springs. The consideration given in the legal notice was $11,500. Donner Summit Lodge is operated by William Rutherford and Bud Horak and has been issued only a seasonal license.

Firpo is retaining his beer and wine license for the Tourist in Truckee while he and August Sassarini also have an off-sale license at the Tourist Liquor Store here.

Truckee Forest Service Men at Meet in County

District Ranger H. I. Snider and Fire Control Assistant Ralph Throop of Truckee are attending the annual fall ranger meeting of the Tahoe National Forest in session this week in Nevada City. During the meeting, all major fires will be analyzed with possible improvement in suppression and prevention being discussed. The session will terminate Friday night after which a dinner-dance will be held.

The main problem still is man-caused fires and special study is again being given toward reduction of "smoker" fires which are the main cause of man-caused fires.

Reno Sportsmen's Meet Seeks Better Fishing

A. G. Bradshaw, president of the Truckee Outdoor Sportsmen, Monday attended a meeting of the Washoe County Conservation Commission at Reno where action was taken to improve hunting and fishing conditions in this region.

Among the proposals was one to abolish the $50 minimum fine and seek better law enforcement and most stringent fines for violators. The group recommended passage of a bill for state control of fish and game matters and revision of the fish and game code.

The neighboring sportsmen are inaugurating an education program for the young people including the establishment of a rifle club.

They also recommended more funds for predatory animal control.

A meeting will be held on the first Monday in December to discuss limiting the killing of deer and the establisment of out of state license fees. All California sportsmen should attend this meeting, Bradshaw said.

Martis Closure For Propagation Urged at Meet

Uniform Closing Date Also Sought At Meeting On Sunday

The Truckee Outdoor Sportsmen have approved the opening dates for trout fishing in this district as established last season, but will recommend to the state fish and game commission through the Associated Sportsmen that the closing date be uniform on all streams on October 31.

At present, the season opens on the Truckee River, Donner Lake, Lake Tahoe and Boca Reservoir on May 1 with the balance of the district opening May 30.

Other recommendations made at the meeting Sunday at the New California Cafe included:

That Martis Creek be closed for propagation purposes;

That the bag limit remain at 15 trout per day;

That the commission seriously consider the establishment of rearing ponds to provide fish of catchable size before planting.

A letter was read from A. C. Taft of the commission pointing out that the commission proposes a uniform opening and closing date for the state (May 1 to October 31) and that any deviation must be made in local recommendations such as the club presented.

A second letter from D. E. Kessler, president of the San Francisco Fly-casting Club, urged the local group to keep the stream closed until June 1 to permit natural spawning but in order to conform with Nevada regulations, this was not deemed prudent at this time, although it may be recommended later. A. G. Bradshaw, president of the club, presided at the meeting attended by Truckee and Reno sporstmen.

George Lazzari Marks Birthdate at Party

George Lazzari was feted on his 16th birthdate at a surprise party on November 1st at the home of his parents, Mr. and Mrs. P. Lazzari. Games and refreshments occupied the time and those who enjoyed the affair included Alice Waters, Louis Ramirez, Lester Lazzari, Eugene Gini, Bobbie Jean Dolley, Dale Stricklin, Marlene Mahne, John Hancock, Phillip Ladd and Ed Crandall.

Betrothed Teacher Quits, Is Replaced by Lodian

Dorothy Jane Thompson of Lodi began duties this week as commercial instructor at Meadow Lake Union High School in place of Miss Elizabeth Grigsby, resigned. The new teacher, a University of California graduate, will also teach U. S. history at the local school.

Miss Grigsby on Sunday announced her engagement to William Wiard Jr., of Truckee at St. Margaret's House on the Berkeley campus of the university. Wiard is a plant quarantine inspector at the Truckee station.

Tahoe City Woman Is Named O.E.S. Matron

Mrs. Justine Pingree of Tahoe was elected worthy matron of Truckee Chapter No. 116, Order of Eastern Star, at the meeting on Tuesday. Other new officers, to be installed the first meeting in December, are Dee W. Bowen, worthy patron; Miriam Zwarg, associate matron; Stanley Zwarg, associate patron; Hannah Stewart, secretary; Elizabeth McKay treasurer; Blanche Gage, conductress, and Dolly Brunk, assistant conductress.

During the meeting, Mrs. Stewart gave an interesting report of the grand chapter meeting recently held in Sacramento.

Initiation for four candidates and reception of one affiliate at the next meeting will be held on November 19.

Wyethia Meet—

Mrs. W. C. Gage presided at the meeting of the Women's Wyethia Club meeting held this afternoon when officers for the coming year were nominated. Mesdames Stanley Zwarg, Harold Langille and Robert Leamon were tea hostesses.

OUTDOOR Notes

By Joe Austell Small

Tough Coon

George Alloway, 80 year old farmer, was attacked by a ferocious animal in the darkness of his hay loft, where he had climbed to throw some hay for his horses.

The farmed scrambled down his ladder with what he thought to be a giant tomcat swarming all over him scratching, biting, growling. Gale, his son, investigated the loft, but also immediately craved the safety of other regions.

Finally, the local game warden was called in. He discovered the animal to be a female coon. Apparently bereft of her own young, she had adopted two kittens after driving the old cat away. The warden managed to remove the old coon without injuring her. Thereafter Alloway was able to feed his horses in peace.

Owl Pretty Hungry

Nelson Crebassa witnessed a most unusual sight recently. He was driving along one moonlight night when a dark shadow swooped down out of the heavens, and made off with something in its claws.

Both Crebassa and the driver of the other car stopped their vehicles to see what the bird had stolen. It was a squirrel tail, snatched from an aerial on the lead car!

Nature-Born Skunk

This story has been told before and it may not even be ver funny. But one thing certain—it stinks!

Mama skunk was worried because she could never keep track of her two children. They were named In and Out, and whenever In was in Out was out. One day she called Out in to her and told him to go out and bring In in. So Out went out and in no time at all he brought In in.

"Wonderful!" said Mama skunk. "How, in all this wide forcet, were you able to find In in so short a time?"

"That's easy," said Out. "Instinct."

State Aid to Schools In Nevada County $69,851 For Year of 1946-1947

Direct state support of the high school districts of Nevada County for the present school year totals $69,851, an average of $108.30 for each of the 645 pupils in the average daily attendance base for state apportionment in the county this year, California Taxpayers's association said.

For fiscal 1943, when the statewide attendance base and total state support of high school districts were at their peaks, the high school districts in the county received $84,625 from the state, an average of $110.77 for the 764 daily attendance base for that year. A decade ago, for fiscal 1938, the total state apportionment for the high school districts in the county was $72,177, an average of $104.76 per pupil for the 689 attendance base.

State support for all the high school districts in the state amounts to $29,793,514 for this year, an average of $92.51 for each of the 322,055 pupils in the average daily attendance base.

White fog blankets average about 1700 feet thick.

What's Cookin', Doc?

Squirrel season will be open in most states when you read this. Unless you have collaborated with the little fellows on a Brunswick stew—brother you ain't never ate no squirrel dish yet! Start it off this way:

1 small can corn (6 ears)
1 pint lima beans
4 potatoes, 1 onion
1 quart sliced tomatoes
3 teaspoons sugar
½ lb. butter
1 tablespoon salt
1 teaspoon pepper

Clean squirrel (two or three of them) and cut into pieces. To four quarts boiling water add salt, minced onion, beans, corn, potatoes, squirrels and pepper. Cover and simmer for two hours. Add sugar and tomatoes. Simmer an additonal hour. Add butter. Simmer ten minutes, bring to boil and remove from fire. Add additional salt and pepper to taste.

Tahoe Letter

From SWANEE

Tahoe City, California.
November 3rd, 1946

Dear Tahoeites—

Another Sunday has gone its way and I'm here again with the weekly roundup. The sun still shines, although the wind blew all day today, and for the past two days. The lake waters have been especially rough at night, and much damage has been done piers and sea walls as high waters have dashed against them. The wind has been icy-cold and snow was expected by most of us, but has not arrived yet. The youngsters have found ponds frozen over and the ice skating season has already been launched by the junior set. It has been reported that many of the shallow mountain lakes have frozen over, proving a handicap to duck hunters as no feed is available.

Local duck hunting, which started off with a bang at the south end, seems to have frazzled out, so far as I can learn. Perhaps the marshes have frozen too, leaving the ducks without a feeding place. If rain, predicted tonight for election day, arrives as forecast, could be hunting conditions would improve.

Had cheery Hallowe'en greetings from our good neighbors, the M. A. Lopes family of San Leandro last week, and a grand letter from our old friends the Harvey Hulls in Sacramento. Leta wrote that the deal they had contemplated to sell their Sacramento property and purchase a place at Pollock Pines didn't go through so they are remaining where they are, and rather pleased about it. They have put a lot of hard work into their lovely home and will continue to make improvements. Harvey was busy putting in a chicken pen and coops, for with eggs there selling for 80 cents a dozen, one's own egg factory seems a good idea. They are planting bulbs for spring flowering and transplanting flowers. We haven't taken up their cordial invitation to come visit but we may one of these days.

Son Jimmie writes cheerily from Wiesbaden that he is scheduled to leave for the good old USA in the next shipment, time not yet designated yet and is not only little bit sorry. Fat is, he can hardly wait for the happy day. He entered a ping-pong tournament at the Red Cross, but failed to beat the competing champion. Usually pretty good at the game, he wasn't in the mood that day. I was relieved to learn he has sent home his stag head and horns, along with some other souvenirs of Germany, which should beat him home. He's doing all right with his horseback riding too and his typing, a side hobby, is improving weekly. Now all he can think about is getting back to Tahoe and donning his skis for a bit of practice.

Daughter Marie and little Bill at long last have joined Bill Sr. in Reno. The first of last week, they suddenly learned they could rent one of those government housing units in Reno, which, while small, has all modern conveniences. They lost no time in changing residence.

The children of the grammar grades of Tahoe Lake School recently wrote letters to all the Tahoe boys still in service whose addresses they could procure. Last week they were pleased to receive answering letters from Bob Stark in Newfoundland and Jimmie Baker in Germany. It has been a custom of the children, all through the war, to correspond with local boys abroad, a custom appreciated by both the writers and receivers of mail.

CWO Phil Asal, son of Mrs. Justine Pingree of Tahoe City, enjoyed a four day holiday at his mother's home, arriving from San Diego Naval Base which had to be fixed in Reno. He is bad luck with his trusty motorcycle on Thursday night. He is hoping to return the following weekend to pick up his motorbike.

Tahoe residents are both alarmed and resentful at the sudden epidemic of early morning robberies that has suddenly hit the Tahoe area, both on the California and Nevada sides of the lake. According to Constable Harry Johanson of Tahoe City, furnishings and household articles valued around $20,000 or more have been hi-jacked during the past two weeks from 14 of Tahoe's finest summer homes. Only today two more were discovered, the latest being the home of Mr. and Mrs. R. A. Carrington Jr. of Los Angeles, he the editor of the Los Angeles Examiner, whose residence at the bottom of the Dollar Hill was broken into and ransacked with the contents of the house thrown about in a most irresponsible manner, with articles taken valued at approximately $3,000. Ray Frabier of Lake Forest, caretaker, discovered the vandalism today and reported it to the constable. Other homes entered and robbed included the Bert Scott home onthe lakeshore in Tahoe Park; the Everett Mills home, formerly Fleishhacker's estate at Tahoe Pines, where the thieves entered with a pass key, drew the window shades and produced two coal oil lamps for illumination. The lamps were left behind. Here they helped themselves to between 30 and 40 all wool blankets, all the household linen, stamped, incidentally, with the Fleishhacker's name, fur rugs, mirrors and a brand new refrigerator delivered only seven hours prior to their arrival. Albert Gorley of Lake Forest is minus a good mattress and several hundred dollars worth of tools and the Sidney Ehrmans of Pine Lodge near Meek's Bay had the distinction of being one of the first places robbed. Here the thieves are believed to have backed a small truck up to the door, and after breaking a window to gain entry, leisurely looted the cottage, built by the Ehrmans for their daughter and family, Mr. and Mrs. Claude Lazard and children, now in New York. They took the door off the linen closet when they failed to unlock it and appropriated all the household linens, chenille spreads, monogrammed with the family initials, nick nacks and ornaments from the living room and other things. The caretakers, as in most instances, live too far from the houses involved to be able to hear and see at all times what is transpiring and most of the jobs have been performed between the hours of ten at night and two in the morning.

Constable Johanson is studying the few stray clues which have been found by [illegible] tion should be demanded by the property owners for additional police protection. It is believed many more robberies will be discovered when spring comes and home owners return to the lake as the intruders remove shutters, loot the house and replace the shutters, no one being the wiser.

Johanson says: "Direct responsibility for the present crime wave can be placed on the Placer county board of supervisors, who not only refuse to pay me mileage to patrol the district, but deny the taxpayers of Tahoe additional needed police protection, the only method of stopping the present trouble.

"Last September a delegation of resort and property owners attended a supervisors' meeting in Auburn requesting added police protection for this area from just such an occurence as the present one. When the vote was ready to be taken by the group on the proposal, Supervisors Jerry Shelley and Charles Geisendorfer walked out of the meeting. The delegates received no answer to their plea and no assurance of any kind of future help.

"Tahoe's jail, started more than seven years ago, is another example of the laxity of the supervisors. Recently they voted $1,000, an insufficient amount, set aside for the completion of Tahoe City's hoosegow, but no material has arrived and no word has been received here regarding any possibility of the project being finished. In the meantime, the word goes around in criminal circles that Tahoe is the ideal spot for pulling jobs, since it is well known that insufficient police protection is supplied here. My phone rings day and night. I scarcely have time to eat my meals or grab a few ours sleep any more and can do no more than I am doing. The next step is up to the residents and taxpayers who have every right to demand their properties be protected by the county."

Hallowe'en came and went at Tahoe much as in other localities, with the usual kid tdicks demonstrated on the neighbors. This year, though, for the first time in Tahoe's history, indications of vandalism appeared. Heavy soaping of automobiles and windows, increased instances of removed gates and property was found and a ladder was left dangerously in the middle of the highway, which fortunately was removed before any accidents occured. Youngsters who admitted taking part in the night's performance were invited to wash windows and replace gates on Monday and the hope is expressed that next year the kids will stick to the harmless sort of jokes.

Wind this up for the week and along with my fellow townsmen am grateful that I have the pleasure of reporting no snow storms but continued sunny weather. Believe it or not, as you read this it will be only three weeks until jolly old Thanksgiving, this year also daughter Marie's birthday. Won't be long now until Christmas when I hope and pray son Jimmie will be back from Wiesbaden with feet under the family table for Yule dinner with us. Hope this finds you all in good health and spirits, as ever, Swanee.

P.S.: Am just in receipt of a postal from Palm Springs from the newlywed Mr. and Mrs. Ray Prusso, who are honeymooning there. They were married on November 1 as scheduled in Long Beach and are certainly enjoying their southern vacation. They'll return here in two weeks.

What made Greyhound Grow?

...giving the people good transportation...at low cost ...and lots of it!

From puppyhood, Greyhound grew on *one* good idea: to build a new, *"American-style" travel system for* THE PEOPLE.

Not mail... not freight... but PEOPLE.

The thing Greyhound knows best is *how* to get *people* to the *places* they want to go... at the *times* they want to go... at *prices* they can afford.

And Greyhound does this for *more* cities, towns, villages and corners than any other transportation system in the West.

What's more, Greyhound makes this "American-style" travel friendly, easy, convenient... stopping in the *heart* of big cities... at the drug store across from the city hall... or at Pete Jones' ranch, if that's where Pete wants to get off.

Why do *the people* like Greyhound? There's your answer: *good* transportation... at *low* cost... and *lots* of it.

North Tahoe News . . .

by MADELINE GALLERANI

Mrs. Mulford Miles of Brockway arrived at her home on Thursday afternoon after several weeks visit with her daughter, Camella, in Seattle.

Mr. and Mrs. Eugene Dertinger are now at their home in Woodvista from an extended trip that took them into New Mexico. They visited six weeks in Big Bend, Oregon, with a sister of his. The Dertingers have a movie camera and took several reels of film in technicolor of their travels. Six thousand miles were covered on the trip through seven states.

Mrs. Cecil Day and son Charles of Lake Point Bungalows in Woodvista closed their resort and have moved to Oakland where they will reside until April, when they plan to return here for an early opening of their popular resort.

Mr. and Mrs. J. V. Riolo left on Monday for Sacramento where they had been summoned to the bedside of his aged mother who fell and sustained a fractured leg along with severe shock.

Charles Nassara of Stockton stopped on his way to Nevada in Kings Beach and visited at the John Gallerani home.

D. C. Barnett of Bonnie Beach returned recently from an extended vacation with relatives in his home state of West Virginia.

Among the North Tahoe residents who were in Carson City for the Nevada Day festiviteis were Mrs. Vera Woods, Annie and Irene Gallerani, Mr. and Mrs. Herbert King, Mrs. Jessie Donnally, Mr. and Mrs. George Misenheimer, Mr. and Mrs. Arthur Buehler, Mr. and Mrs. V. O. Peterson, Helen, Patty and Betty Misenheimer.

Duke Eddy, aged 16 months, will be able to tell his grandchildren of the airplane trip he made from Santa Monica to Reno with his grandfather, H. J. Cousins. The hostess of the ship remarked that Duke had been an exceptionally good passenger for his age. The air-minded youth is the son of Mr. and Mrs. Robert Eddy of Kings Beach.

Mrs. Fred Redinger of Kings Beach is visiting in Sacramento.

Charles Drake of Reno was a Friday visitor in Kings Beach.

Harvest Festival Party At North Tahoe Adds Fund for Yule Party

NORTH TAHOE— The Harvest festival, held on Hallowe'en night at the Carpenter's Hall in Kings Beach, and sponsored by the North Tahoe Mothers' Club, was a huge success.

Six large boxes of groceries, donated by stores in this area, were given away as were a large turkey, pressure cooker, electric heater, toasters and other household articles. Homemade pies and cakes were auctioned off with John Gallerani acting as the auctioneeer.

There were booths where lovely hand-sewed pieces were displayed, a miniature garden booth which was enthusiastically received, and, the children's delight, the fishing pond was in evidence.

A costume parade was held where awards were made for the most unique costumes. Joanie Baker was the junior girl winner, Stanley Baker the junior boy winner and Katherine Hall won the senior girl award.

Beano Griffintini, accordianist extraordinary, entertained with several popular selections.

The affair cleared $326.25, which will go to the Christmas fund this year, for staging a gigantic Christmas party at the Carpenters Hall with every child invited to come and see Santa Claus and receive a lovely gift, fruit and candy. More than a score of local merchants received a vote of thanks from their generous contributions to the party.

The Mothers' Club is planning another social event to raise money for the Christmas party—a box social on Friday evening, November 15, in the Carpenters' Hall. Ladies are asked to pack lunches for two with their names inside, these to be sold on an auction to determine partners for the evening.

Heavy winds of the past weekend disrupted electric service for several hours on Saturday morning in Tahoe areas but a crew from Truckee restored service around 11:30 AM.

Close Summer Home—

On Monday, the H. T. Harper home near Rubicon Beach was robbed, the extent of loss unknown at this time.

Mr. and Mrs. A. E. Lewis of Reno have closed their summer cottage in Timberland anr returned home for the winter.

THANK YOU

Because it is impossible for me to go to each of you individually with my thanks, I take this means of expressing my sincere thanks to my many friends who, by their work and votes, assured my election as the sheriff of Nevada County at Tuesday balloting. I will earnestly endeavor to fulfill every pledge I made during the campaign and hope that my conduct of the office in the next four years will justify the faith you have expressed in my as yet untried ability.

Dick Hoskins

Thank You, Friends

It it a source of gratification to me, even though I was defeated in my bid for the honor of serving the people of Nevada county as Superior Court Judge, that so many of my fellow citizens did express their belief in me and my qualifications for the post I sought. To the hundreds who supported my campaign, may I say I am proud and grateful to you? Thanks again.

VERNON STOLL

Thanks, All

I take this opportunity to express my heart felt thanks to the people of Eastern Nevada County for the splendid support accorded me in the General Election on Tuesday. That support, reflected throughout the county, helped insure my election as the Judge of YOUR Superior Court. I hope, in the next six years, to justify the faith expressed in me by you at the polls.

Flagg Brothers to Sue Tavern Associates Over Proposed Resort Sale

TAHOE CITY— In an interview with the Sierra Sun corresopndent, Swanee, A. J. Flagg of Tahoe Tavern Sunday made the following statement:

"My brother John and I will file suit for damages immedately against our business associates, Lawernce Curtola and Louis Navone, and we have retained as our lawyers Theodore Roche of San Francisco and Mr. Kelley of the firm of Fitzgerald, Abbott and Beardsley of Oakland. The first either one of us knew of the sale of Tahoe Tavern for $400,000 to Albert Ichelson, San Francisco realty investor, or of the separate sale of the Tahoe Tavern golf links to our former Tavern desk clerk, Gordon Hyde, was when we read it in a

"We were neither consulted nor contacted regarding the sales by Curtola and Navone, and it is our belief the transactions cannot be legally consummated without our signatures.

Up to September of this year, my brother John and I had invested over $100,000 in the Tavern property while our associates had only a $50,000 interest. Their promises of further payments were not fulfilled to our knowledge. We four organized Tahoe Tavern Incorporated, and yet our names are seldom mentions in publicity concerning the Tavern and to date we have received no shares of stock.

"Approximately $150,000 was expended on the 225 room (not 900 room) hotel last spring....and John and I had planned to make of the Tavern a permanent investment, creating the finest all year-round resort in America. Needless to state, we were stunned to read of the sale of our property without our knowledge or sanction."

The Flaggs were visitors at the latter's home in Tahoe Park over the weekend.

Scholastic Ski Federation Holds Meeting at Tahoe

TAHOE CITY— The Tahoe branch of Placer Union High School on Sunday was host to 65 students and advisors of 10 clubs forming the California Interscholastic Ski Federation

It was voted to stage four interscholastic tournaments in the coming season. The giant slalom will be held on January 11 at the Auburn grounds at Cisco; tight slalom and cross-country, January 11, Douglas County; cross-country and giant slalom, February 8, Reno; giant slalom and tight slalom, March 1, Reno.

Bob Autry of Bishop was elected president of the federation; Roy Jepson, Douglas County, vice president; Betty Steinhauff, Auburn, secretary; and Joan Pabst, Truckee, treasurer.

High school clubs represented included Placer Union branches at Tahoe and Auburn, Bishop, Reno, Meadow Lake of Truckee, Palo Alto and Douglas County of Minden. The next meeting of the federation will be held at noon, January 11, at the Lake Tahoe interscholastic meet.

Mrs. Tom Sutton Feted At House Warming

NORTH TAHOE— Mrs. John Rayburn was hostess for a house warming party given in honor of Mrs. Tom Sutton who recently moved into her new home on Fox Street. A lovely luncheon was served and the honoree received many lovely gifts.

Those present were Mesdames B. Thomas, E. Antonsor., Sam Faulkner, Dixie Reese and John Rondelli.

Work Progress Report Features Meeting Of Lake Tahoe Ski Club

TAHOE CITY— Thirty members of the Lake Tahoe Ski Club attended a meeting in Community hall Friday night, President Ray Fellows presiding.

A report on work progress on the club's ski hill was made by Floyd Carnell. The apron has been doubled in width; a new rope has been ordered for the ski tow; Fred Main has offered to recondition the tow motor and the Gardner Brothers have donated a half day's work on smoothing the hill.

Kathleen Starratt was named to attend the interscholastic federation meet Sunday as an observer and advisor to the 23 Tahoe high schoolers attending.

Also discussed was the leasing of the ski lift and food concession for the season, with Mr. and Mrs. James Goodhue, who had them last year, being given preference on the basis of the good job they did last season.

CWO Phil Asai, visiting from his naval base, suggested the raising of the tow motor to a higher elevation to save wear and tear.

So popular was the Hallowe'en dance that a similar affair is planned November 23, with Mrs. Vera Frazier chairman.

The Misses Kathleen Starratt and Florence Vernon were hostesses and Mrs. Cecil Dempsey was named hostess for the next ski club meeting on Friday night, November 15.

Sunday, Nvember 3, was set as Work Day at the ski hill. Among those taking part were Bill Vernon, Ray Fellows and son Lewis, Cecil Dempsey, wife and son Pat and Marie Henry, Diane Robinson and little sister.

Luncheons, Card Parties Enjoyed in North Tahoe

NORTH TAHOE— The Round Robin hostess at luncheon and card party fell on Mrs. Ernest Crawford on Tuesday, October 19. Her guests included Mesdames C. E. Mandeville, Lee Campbell, Lloyd Decker, W. L. English, Warden Fields, John Clayson Fred Baker, Tom Kyncy, Noel Hurbert, John Gallerani and J. J. Mandeville.

Mrs. Warden Fields was hostess at a luncheon and card party at her home on Tuesday, October 26. Those present were Mesdames Byron Abbott, Erwin Tucker, J. J. Mandeville, John Gallerani, C. E. Mandeville, Lee Campbell, Ernest Crawford, W. L. English, Lloyd Decker, Fred Baker, and John Clayson.

Dempsey Family Has Siege With Doctors

TAHOE CITY— Mr. and Mrs. Cecil Dempsey of Tahoe telephone office had a hectic day on Tuesday when daughter Collette suffered a serious stone bruise on her left foot which necessitated a doctor's care and which is keeping her on crutches for the fortnight. She must take 50,000 units of penicillin for ten days and remain off the injured member until it is healed. The injury was sustained when she dismounted from her bicycle hurriedly.

Her sister, Colleen, had a bad tooth which had to be pulled and Pat Dempsey had a series of ear aches which meant a visit to the doctor's office for x-rays and treatment.

The trio was taken to Reno by Mrs. Dempsey's sister, Mrs. Michael Korich, who played nurse for the day All are improving.

SUMMIT SCENE

by FRANCES COUILLARD

We dashed back from San Francisco last Thursday hoping to make the party at the Norden school but due to the holp up in Sacramento we missed the party. Hear it was a wonderful party and that the school was simply packed. Barbara Burke, with her limited facilities, managed to really give the natives something to think about. Little talents heretofore unexploited were uncovered and we have embryo opera stars, concert pianists, and all! We hear that one of the Marin kids from Cisco who took the lead in the ghost thriller had such poise and delivery that he knocked 'em all for a goal. Refreshments were then passed around and the combination was good enough for anyone's Hallowe'en party—ice cream cider, pop corn. The decorations were fitting too—being lighted pumpkins and corn stalks. Good for you, Barbara. When we get that new school you'll hve a little more to work with.

We did enjoy the bus ride, though, even if we were too late for aforementioned party. We noted the Hallowe'en shindigs all through the valley, the soaping of windows, the kids all togged out in whatever seemed handy, the ghouls faces, and all. To top it off and make the journey a real Hallowe'en treat somebody shot a us through our window and splattered glass over several of the bus customers. Combed it out of my hair the next morning. Don't think I know anyone that well in the valley.

We did make it back in time for the party at Donner Summit Lodge though. Now we've seen everything! Many of our staid citizens were going through the regular works of a Halloweve wingding. There were apples strung from string and hanging from the ceiling upon which various couples were chawing. Tried it myself but retired defeated after being chawed on the lower lip. Ernest and Margot Nordstrom won this bout but we think they cheated for Margot sunk her molars into the succulent fruit whilst Ernie nibbled away. A lip stick was the prize and Margot really needed it. Then there was a stick jumping contest. We danced and when we came to the stick, which was precariously balanced between two uprights, we must step over same. Larry Rowton and I won this and the muscles in my legs creaked the next morning from such unaccustomed exertion. Then, to make things more difficult, they started to lower the stick and we needs must break our backs by climbing under. The floor was beautifully polished after this feat. By taking the wallet and the gloves out of slim Max Williamson's pocket, we managed to push him under. The men came out on top in this deal and you can figure that one out for yourself. A broom dance, a balloon blowing contest, a folk dancing bout—wow, what a party! It was topped off by a wonderful buffet dinner.

Did you ever note the little boy that comes out in a man when he flexes his muscles and tries to remember a particular acrobatic trick in which he excelled in his younger days? We saw a citizen turn a back flip with his knees and anatomy perfectly rigid. When we meet this citizen on the street, we respectfully move over an inch on the sidewalk and address him as "Sir". We saw another character (in his forties, I am sure) balance himself precariously on the back of a chair and turn himself inside out until he had gotten himself into the chair in a sitting position without putting his feet to the floor! Yes, it was a wow of a party.

We are honored and humble at being asked to sponsor Maria Schuster this week at her Sacramento naturalization party. We consider Maria (our European refugee) already a 100 per cent citizen. Maria used to work with us when we ran ski resorts and every six weeks she hied herself back to San Francisco where she had a record as a blood donor. She tried her utmost to get in a branch of the auxiliary services but her lack of citizenship prevented this. We think, after this is over, we will enter Maria in a contest against regular citizens to recite the preamble to the constitution, the constitution, the ways and means in which our laws are made, the names of the members of our cabinet, etc. Maria has sunned herself on a rock all summer while she diligently read the necessary documents that would enable her to get her naturalization papers. I know we ar going to be proud to sit in the chamber at Sacramento and see Marira become legally the good American that she already is in fact.

Had another meeting of the Donner Community Club last Friday evening. Vernon Stoll, Grass Valley attorney, honored our little meeting by strolling in and explaining to us the various ins and outs of getting a club of our kind really rolling. We appointed a committee of three—George Fraley, Rolland Galloway and Max Williamson—to pick out various school sites, one of which will be approved by Dr. Bursch, head of the school planning board, on his special visit for that purpose on November 12. November 12 will also be the next meeting date of the club, the meeting to be held at Donner Summit Lodge.

Elmo Moriano has brought his bride back to the mountains after an extended honeymoon.

Don't see much in the social aspect coming up this next week, what with election and all. However, we are on the election board and with a whole day to sit and gab with the other members, we might pick up a little stuff for you next week. Hope the wind keeps itself tied up, however, so we will have heat and light. Would have traded places with an Eskimo on Saturday last. Saw a bartender at one of the Soda Springs bars whose hands were blue. What a day!

Tahoe Lake School Column

Ned Stuart, son of Mr. and Mrs. Jake Stuart of Lake Forest, on Monday morning had the misfortune to break a wrist while practicing football on the school grounds before classes started. His parents took him to Reno weher x-rays were to be taken to determine the extent of the injuries.

Close to 70 students and escorts made the trip by school bus on Saturday last to Carson City to witness the colorful parade and other interesting events which were planned for Nevada's 82nd birthday. Mrs. Stella Watson drove one bus and Al Henry Jr. the other. They left at 9 AM and arrived back at Tahoe about 7 PM, after a day filled with excitement and fun. Those escorting the youngsters included Mesdames Myrtle Gallinger, Bliss Hinkle, Archie Scott and Dorothy Johanson, all teachers; Mesdames A. M. Henry, George Tiffee and Jake Stuart. The group took lunches and, after picnicking, went on a sight seeing tour, taking in the exhibits at the Carson City museum, a football game, Indian dances and songs, and were conducted on a visit to the governor's mansion, being received by the gracious first lady, Mrs. Vail Pittman.

Sally Reynolds has transferred to the Los Angeles schools. Her parents were caretakers at the Duff Deans' Lakeside Cabins this summer.

The grammar school's seasonal paper, Tahoe Chatter, has just printed its first edition for the year. Clifford Dockham is editor and associated editors include Harold Almond and Stanley Martin Jr. Other issues will be printed at Thanksgiving and at Christmas time.

The upper grades at Tahoe Lake School are now studying South American countries, their present project being Peru. Mrs. Gallinger, their instructor, sent to the San Francisco chapter of the Red Cross for material on their project and in return received sampes of Peruvian flowers made from horsehair and grass stems, which were most unusual.

Mrs. Dorothy Johanson's 3rd, 4th and 5th grades have begun a project of raising money which they donate personally to be used for the Red Cross Christmas boxes this year. Already they have on hand $12.75 and expect to greatly increase this amount before box packing time.

TAHOE BRIEFS

The lake level on Monday morning stood at 6226.95 with 306 CSF of water leaving the gates in town. Coldest day of the week was on the 29th with the temperature at 16 and the "warmest" day was the 31st with 49 registered.

Mr. and Mrs. Basil Kehoe on Saturday night last motored to Reno for dinner and to participate in the University of Nevada homecoming celebration, Kehoe being an alumnus.

Mr. and Mrs. Stan Martin and son motored to Reno Saturday where the two latter spent the weekend with Stan's aunt, Mrs. May Forsythe, and his mother, Mrs. Alice Martin. Matrin continued to Fallon along with Fred Main, Allan Pollitt and Harry Newell where their duck hunting fortunes were not as good as on opening day, though all came home with some ducks.

Mr. and Mrs. William Steenis and son Billie are now occupying a government apartment in Reno for the winter. They left Tuesday.

Charles Jones of Kings Beach paid a $25 fine in the court of Justice Evelyn Bliss for burning without a permit. He was cited on October 30 by Patrolman Fred White.

Mr. and Mrs. George Peterson of Alameda spent Saturday to Tuesday at the A. M. Henry home at Tahoe.

Summer Home Pirates At Lake Major Problem

Pair In Douglas County's Jail for Burglary of Cave Rock Home

MINDEN, Nev.— Bernard Arnold and Barbara Murray, both of southern California, are in the Douglas County jail following their arrest at the south end of Lake Tahoe by Erwin Butner, resident deputy sheriff. They were apprehended for burglarizing the C. V. Isbell home at the lake.

Butner states that he is certain that he will shortly have in custody others guilty of piracy of closed summer homes in his district of the lake. Among homes burglarized since their owners have closed them for the season are those of Dr. Fred Anderson, William Wagner, John Sanford, Geo Sanford, Frank Meder, Andrews and Converse, all in the Cave Rock vicinity.

Loot has included everything movable from motors and motor boats to blankets and electric irons. A summer home on the California side of the lake last week was gutted by burglars of everything in it including the bath tub and otner bathroom fixtures.

T. S. C. Lowe joined the Union Army during the Civil War as the first military balloon observer in the United States.

Washoe County Residents On Tahoe Seek More Protection

RENO— A formal request to the Washoe County Commissioners was filed by Lester Summerfield, Reno attorney, on behalf of the residents of the Nevada sde of Lake Tahoe for more adequate police protection. In his letter, he pointed out that there are millions of dollars worth of real estate on the shores of Lake Tahoe in the county upon which taxes are being collected. So far, Summerfield states, "not a dime" of these taxes have been expended in the protection of these properties.

"I know of several instances," he wrote, "where people have not built owing to the lack of adequate protection."

Sumerfield stated he believes that the present tax returns from the area are sufficient to provide police protection. If this is not so, he feels the property owners will not object to an increased assessment if it would result in proper law enforcement.

Adequate police protection, the attorney feels, should provide for two deputy sheriffs—one to cover the area during the day and the second to patrol at night.

"For a god many years," the letter asserted, "the close of the summerm season has been the signal for looting, pillaging and burglarizing of homes on the lake shore. So far as I know, none of the perpetrators has ever been apprehended or prosecuted. For that reason, it has almost become a fool-proof way of looting these homes.

"Unless the law steps in, an invitation will continue to criminals to come along and help themselves."

Retired Railroader, Wife Mark 55th Wedding Date

ROSEVILLE— Mr. and Mrs. Walter H. Jones observed their 55th wedding anniversary at their home here. The couple was married in Rocky Ford, Colo., October 28, 1891.

Mrs. Jones, daughter of a pioneer Colorado family, lived in Rocky Ford and Jones was stationed at La Junta as a Sante Fe Railway fireman.

Ther., railroaders put in long hours on their runs—often as many as 72—in getting the trains over a division. After his run, the young locomotive fireman would dress up, borrow one of the railroads hand-propelled speeders and set out for Rocky Ford, ten miles distant.

In 1891, Rocky Ford was mainly a tent city and the couple was joined in the only church in town—a canvas topped Methodist tabernacle.

Jones later went to work for the Atlantic and Pacific road at Winslow Arizona, and in 1901 came to the Sacramento-Sparks run for the Southern Pacific. The couple has resided in Roseville for 25 years and he retired from the SP as an engineer in 1940.

NEW YORK—One of the more understandable reasons for anyone to come to New York is to "see a good play." That is about the only distinction the metropolis has left by way of diversion in this day of video, radio and movieo.

The old-timers still are on view: "Oklahoma," "Show Boat," "Carousel," "Red Mill," in the musicals: "Deep Are the Roots," "Harvey," "Life With Father," "State of the Union," "Voice of the Turtle" in the drama—you may have seen some of their troupes on tour.

Such last-season hits as "Born Yesterday," "Dream Girl," "Annie Get Your Gun," "Call Me Mister," "Three To Make Ready," still draw big crowds.

The new season, haltingly getting under way, is thus far memorable alone for Eugene O'Neill's "The Iceman Cometh"—a grim four-hour parade of unkempt characters in a New York saloon of 1912. Begins at 5:30 p.m., recesses at 6:30 for dinner, resumes at 7:30 and on to 11. Star is the wonderful old vaudeville hoofer, James Barton, playing a reformed drunk who tries to get his old pals to abandon the bottle for the higher life.

That's about all there is to the long evening—done superbly well, if you like that sort of thing. Such is the questionable state of the New York stage as of now, this new season.

Crater Lake National Park is the only national park in Oregon.

MY PLACE in the SUN

by DOUG BARRETT

ELECTION SIDELIGHTS: B. W. Reynolds last minute write-in campaign against Governor Warren was snowed under; says Sarge: "I was robbed! I demand a recount!" He got one vote at Truckee No. 2....first voter there this election was Bob Leamon and at No. 1 it was Jack Wolert, both of whom drove their little women to the polls for service on the election boards...."If they're in, get 'em out" seems to be the theme expressed Tuesday....Georgie Langille and Norma Hansen replaced Blanche Snider and Norma Hansen on the board at Truckee No. 2....Glad I vote at No. 1 cause it's a long haul up them stairs to No. 2....Frank Kearney says he has served on the board at Truckee No. 1 since he was 21 (a few years back) every election save in 1918 when he had the 'flu.

AROUND TOWN: To avoid confusion, "Tom" Dolley (whose name doesn't even suggest Tom) calls Tom Sheehan "Sam" in mutual conversation....Al Crandall, a real booster, is working hard to inject new life in the Boy Scouts here and deserves a lot of credit....Johnny Moro and Andy Oroz standing in front of the Sun office talking over the county election....Max McGwinn is again in Loynd's Truckee Drug with a couple of grey hairs from a hectic but happy summer in the Kings Beach branch....Mr. and Mrs. Ralph Graham seem to be the most eternally delighted and delightful couple in town....Incidentally, Ralph is going to favor his neighbors with local "broadcasts" of Christmas Carols as last year, adding much to the holiday cheer and atmosphere....No decision has yet been made on the person to fill Marion Follett's place on the high school board....and, speaking of boards, we're going to have a new one soon to administer the recently created Truckee Cemetery District. Wonder who'll be on that one?

Army Requirements Are Getting Harder to Meet

Qualifications necessary for enlistment in the new streamlined United States Army are constantly being increased as recruiting quotas are filled, according to a communique issued by the Sixth Army Recruiting Headquarters, Presidio of San Francisco, which advised prompt action on the part of those seeking to make the Army a career.

Indicative of this trend is the lead now being given men who have a military occupational specialty (MOS). These men may be enlisted in a grade appropriate to experience and training, regardless of whether they served in the Army, the Navy, Marine Corps or Coast Guard, if they enlist before their occupational specialty quota is reached. Also being given special consideration are 17-year-olds who will be afforded opportunity for training under the finest technicians in the world.

To them, and all others who can pass the increasingly exacting qualification requirements, enlistment in the new United States Army offers assurance of complete success in life, the communique points out.

Among the advantages which lift it above the level of "just another job" are listed good pay, opportunity for travel, education in skills and guaranteed security in retirement with pay up to $185 per month upon completion of 20 to 30 years service.
